FOR IMMEDIATE RELEASE

Eaton Rapids Public Schools and Lansing Community College will celebrate their new educational partnership on Wednesday, April 22, with an open house and signing ceremony from 4:30 – 6:30 pm at Greyhound Central.

Beginning with the fall 2009 semester, LCC will offer academic credit classes and one-day computer seminars for high school students and the general public in Eaton Rapids. Class offerings will include Writing 121 (Composition 1) and Speech 110 (Oral Communication in the Workplace). The computer seminars will include Computers for Beginners, Beginning Word, Beginning Excel, Maintaining Your Computer and Design Your Own Web Page.

On Tuesday, April 28, Lansing Community College staff will be at the Eaton Rapids High School in the library to assist future LCC students complete the LCC application and take the required assessment test for admission to LCC. High School students interested in taking the assessment test can sign up in the guidance office and the general public can contact Brenda Stohr at 663-1144 or email at bstohr@erpsk12.org for sign up and information. All students testing are required to show a picture ID and must know their social security number. Lansing Community College fall registration begins Tuesday, April 28.
